

# International Seminar on Construction and Application of Spatial Data Infrastructure

Sept. 15-22, 2017  
Beijing & Wuhan, China

## About the Seminar

The International Seminar on Construction and Application of Spatial Data Infrastructure will be held in Beijing (Sept. 15-17, 2017) and Wuhan (Sept. 18-22, 2017).

The organizer of the Seminar will provide financial support to about 40 participants from Surveying and Mapping Agencies of Association of Southeast Asian Nations (ASEAN) or other developing countries, including the accommodations during Sept. 14-22, 2017, travels between Beijing and Wuhan, and registration fee for the ISPRS 2017 Geospatial Week. The financial support will be arranged on a first-come-first-served basis.

## Organized by

National Geomatics Center of China

## Co-organizer

- Beijing University of Civil Engineering and Architecture
- Wuhan University

## Supported by

- National Administration of Surveying, Mapping and Geoinformation, China
- Technical Commission III on Remote Sensing, International Society for Photogrammetry and Remote Sensing (ISPRS)
- Working Group 3 on Regional SDI, Global Geospatial Information Management for Asia and the Pacific (UNGGIM-AP)

## Programme of the Seminar

The Seminar will consist of two periods. The first is in Beijing (Sept. 15-17, 2017) and the second period in Wuhan (Sept. 18-22, 2017).

### ● Beijing

Activities include lectures and technical visits. The lectures will be given by experts and scholars, focusing on SDI standards and policies, technical components, strategy of implementation, methods and techniques for construction and maintenance, typical applications and services, etc. Technical visits to companies with experiences and produces for SDI construction, maintenance, and application.

## ● Wuhan

Then the group will move to Wuhan to attend the ISPRS 2017 Geospatial Week, composed of 10 high-level International Workshops

( <http://gsw2017.3snews.net/> ).

- **GIS-SmartCity 2017:** 2017 International Geospatial Information Workshop on Smart City
- **WebMGS2017:** The 5th International Workshop on Web Mapping, Geoprocessing and Services
- **ISSDQ 2017:** The 10th International Symposium on Spatial Data Quality
- **Indoor 3D 2017:** ISPRS Workshop on Indoor 3D 2017
- **SARCon 2017:** The 2017 ISPRS International Workshop on Advances in SAR: Constellations, Signal processing, and Applications
- **LS2017:** ISPRS Workshop on Laser Scanning 2017
- **IWIDF2017:** The 2017 International Workshop on Image and Data Fusion
- **PhotoGA 2017:** ISPRS Workshop on Photogrammetric 3D Reconstruction for Geo-Applications 2017
- **ICSDM2017:** The 3rd International Conference on Spatial Data Mining and Geographical Knowledge Services
- **CHGCS 2017:** The 2017 ISPRS Workshop on Cryosphere and Hydrosphere for Global Change Studies

Date	Activities	Site
2017.9.14 Thursday	Arrival and Registration	Beijing
2017.9.15 Friday	Lectures	Beijing University of Civil Engineering and Architecture
2017.9.16 Saturday	Technical Visits	Beijing
2017.9.17 Sunday	Transfer from Beijing to Wuhan by High-speed train	
2017.9.18-22 Monday-Friday	Attendance at ISPRS 2017 Geospatial Week	Wuhan
2017.9.23 Saturday	Departure	

## Application

- Applying financial support should submit the attached application form and required documents by **31 July 2017**.
- Only applications from surveying and mapping agencies of ASEAN or other developing countries will be considered. Only applications received by the given deadline will be considered. Applications received after this date **WILL NOT** be considered.
- The financial support will be arranged on a first-come-first-served basis.
- The financial support for accommodations, travels and registration fee will be paid by the Seminar Organizer directly. No money will be transferred to the applicants.

**Application for Financial Support to Attend  
International Seminar on Construction and Application of Spatial Data Infrastructure  
China 15-22 September 2017**

Please complete this application form and send it not later than **31 July 2017** by email to:  
National Geomatics Center of China: [jjie@nsdi.gov.cn](mailto:jjie@nsdi.gov.cn) or [zhp7260@gmail.com](mailto:zhp7260@gmail.com)

<b>Title:</b>	<b>First name:</b>	<b>Last name:</b>
