CALL FOR PAPERS

**10-th INTERNATIONAL CONFERENCE ON CONTEMPORARY
PROBLEMS OF ARCHITECTURE AND CONSTRUCTION**

**Beijing, China
(September 22-26, 2018)**

GENERAL INFORMATION

AIM

The main aim of the conference is to present the scientific research results and their practical solutions in the fields of civil engineering and architecture, as well as to establish and enhance international scientific cooperation among universities in different countries.

ORGANISERS:

- Beijing University of Civil Engineering and Architecture, China
- National University of Architecture and Construction of Armenia, Armenia
- Russian Academy of Architecture and Construction Sciences
- Czestochowa University of Technology, Poland
- St. Petersburg State University of Architecture and Civil Engineering, Russia
- VSB-Technical University of Ostrava, Czech Republic
- University of Florence, Italy
- Batumi Shota Rustaveli State University & Georgian Aviation University, Georgia

SPONSORS:

- Engineering Safety and Protection Sub-society of the Chinese Society for Rock Mechanic & Engineering
- Commission on Geotechnical Earthquake and Hazard Mitigation, Seismological Society of China,
- Shenyang Jianzhu University, China
- Shandong Jianzhu University, China
- Anhui Jianzhu University, China
- Jilin Jianzhu University, China
- Tianjin Chengjian University, China
- Hebei University of Architecture, China

HOSTS:

- Beijing University of Civil Engineering and Architecture
- Beijing Advanced Innovation Centre for Future Urban Design
- Beijing International Cooperation Base for Construction of Urban Transport Infrastructures

HONORARY COMMITTEE

Prof. Ailin Zhang, Rector of Beijing University of Civil Engineering and Construction, China

Prof. Gagik Galstyan, Rector of National University of Architecture and Construction of Armenia, Armenia

Prof. Alexander Kuzmin, President of Russian Academy of Architecture and Construction Science, Russia

Prof. Norbert Sczygiol, Rector of Czestochowa University of Technology, Poland

Prof. Yevgeniy Rybnov, Rector of St. Petersburg State University of Architecture and Civil Engineering, Russia

Prof. Václav Snášell, Rector of VSB – Technical University of Ostrava, Czech

Prof. Luigi Dei, Rector of University of Florence, Italy

Prof. Merab Khalvashi, Rector of Batumi Shota Rustaveli State University. Georgia

Prof. Sergey Turuntaev, Director of Institute of Dynamics of Geospheres, Russian Academy of Sciences

Prof. Gela Kipiani, Vice –rector of Georgian Aviation University, Georgia

Prof. Pericles Mitkas, Rector of Aristotle University of Thessaloniki, Greece.

INTERNATIONAL SCIENTIFIC COMMITTEE

CHINA

Prof. Ailin Zhang, Beijing University of Civil Engineering and Architecture
Prof. Su Wang, Beijing University of Civil Engineering and Architecture
Prof. Dayu Zhang, Beijing University of Civil Engineering and Architecture
Prof. Aiqun Li, Beijing University of Civil Engineering and Architecture
Prof. Chengzhi Qi, Beijing University of Civil Engineering and Architecture
Prof. Junqi Li, Beijing University of Civil Engineering and Architecture

ARMENIA

Prof. Gagik Galstyan, National University of Architecture and Construction of Armenia
Prof. Yuri Safaryan, National University of Architecture and Construction of Armenia
Prof. Vardges Edoyan, National University of Architecture and Construction of Armenia
Prof. Suren Mkhitaryan, National University of Architecture and Construction of Armenia
Prof. Marine Ghazaryan, National University of Architecture and Construction of Armenia
Prof. Narine Pirumyan, National University of Architecture and Construction of Armenia

RUSSIA

Prof. Vyacheslav Ilichev, Russian Academy of Architecture and Construction Science, Russia
Prof. Vladimir Travush, Russian Academy of Architecture and Construction Science, Russia
Prof. Evgeny Rybnov, St. Petersburg State University of Architecture and Civil Engineering
Prof. Sergey Turuntaev, Institute of Dynamics of Geospheres, Russian Academy of Sciences
Prof. Nikolay Smirnov, Lomonosov Moscow State University
Prof. Evgeny Smirnov, St. Petersburg State University of Architecture and Civil Engineering,
Prof. Gevorg Kocharyan, Institute of Dynamics of Geospheres, Russian Academy of Sciences
Prof. Pavel Akimov, Russian Academy of Architecture and Construction Science, Russia
Prof. Aleksander Bashkarev, Peter the Great St. Petersburg Polytechnic University
Prof. Alexander Belostotsky, Russian University of Transport» (RUT – MIIT), Russia
Prof. Aleksander Freidin, Peter the Great St. Petersburg Polytechnic University

POLAND

Dr.Hab. (engineering), Assoc.Prof. Lucjan Kurzak, Czestochowa University of Technology
Dr.Hab. (engineering), Prof. Marlena Rajczyk, Czestochowa University of Technology
Dr.Hab. (engineering), Prof. Jaroslaw Rajczyk, Czestochowa University of Technology
Dr.Hab. (engineering), Prof. Maceij Major, Czestochowa University of Technology

CZECH REPUBLIC

Prof. Darja Kubečková, VŠB – Technical University of Ostrava

ITALY

Prof. Saverio Mecca, University of Florence

Prof. Stefano Bertocci, University of Florence
Prof. Paola Puma, University of Florence
Prof. Francesco Collotti, University of Florence

GEORGIA

Prof. Iuri Svanidze, Georgian Society of Civil Engineering
Prof. Guram Gabrichidze, Academician of Georgian National Academy of science, Georgia
Prof. Gaioz Partskhaladze, Batumi Shota Rustaveli State University, Georgia
Prof. Gela Kipiani, Georgian Aviation University, Georgia
Prof. David Gurgenidze, Georgian Technical University, Georgia
Prof. Omar Kikvidze, Akaki Tsereteli State University, Georgia

USA

Prof. George Sih, Lehigh University
Prof. Ali Maher, Rutgers, the State University of New Jersey, CAIT
PhD, Prof. Nenad Gucunski, Rutgers University
Prof. Vahan Tanal, Vahan Tanal Consulting, Inc.
Prof. David Michaelian, Tishman Turner Joint Venture (TTJV)
Ph.D Mark Grigorian, MGA, Structural Engineering Consultants inc.

UKRAINE

Prof. Vitali Ploski, Kyiv National University of Construction and Architecture
Prof. Alexander Gorodetski, Kyiv National University of Construction and Architecture
Prof. Maria Barabash, Kyiv National University of Construction and Architecture.

GREECE

Prof. K.Katsambalos, Aristotle University of Thessaloniki, Greece
Prof. P.Pronos, Aristotle University of Thessaloniki, Greece
Prof. E.Aifantis, Aristotle University of Thessaloniki, Greece

CONFERENCE TOPICS

1. Architecture and Urban Planning
2. Civil Engineering, sustainable construction, materials, structural mechanics and technologies
3. Environmental Engineering, transport problems
4. Others

GENERAL RULES

- Official language of the conference is ENGLISH, including abstracts and final papers and whatever form of scientific document (slides, oral presentation, posters, etc.)
- The Scientific/Organizing Committees of the 9 Organizers are committed in promoting the conference by linking their relevant websites to the official Conference web site (managed by the Beijing University of Civil Engineering and Architecture).

- In order to guarantee the successful achievements expected by the Conference, it is extremely important to meet all the operative deadlines; thus each Local Committee is invited to pay a particular and sharp attention to those deadlines as well as to the harmonization of all the tasks assigned.
- Scientific Committee of each Organizer should be formed by experts who master the topics. Therefore each Scientific Committee is responsible for the selection and submission of the scientific papers for the participation at the Conference.

Fee B^(*): Students and PhD Students	\$ 100	
Fee C: Only Published Paper	\$ 100	
Fee D^(*): Participant without paper	\$ 100	
Fee E: Accompanying persons/ co-author	\$ 100	

DETAILED EDITORIAL REQUIREMENTS ON ABSTRACT

We are seeking original and innovative research articles relating to the topics of the conference that have not

been previously published. The accepted papers will be published by IET.

Please submit all the information requested below according to the order given:

ABSTRACT

- **Title format:** Times New Roman 12, Bold
- **Authors:** Name, Surname, Institution of affiliation. Font: Times New Roman 11
- **3-5 keywords:** Times New Roman 11
- **Text of abstract format (including the objective(s) of the paper and the originality of the research):** Times New Roman 11, 1.5 spacing (max. 500 words)
- **CONFERENCE TOPICS:** please indicate in which one of the proposed main sessions your paper will be inserted.

AUTHOR'S INFORMATION

A short personal biography (max. 300 words as a written text) should be presented which will include:

- contacts (e-mail, telephone number, personal or institutional website)
- research activities (especially those regarding the topics of the congress)
- position

The abstract and filled registration form must be sent to: machao@bucea.edu.cn no later than **March 20th, 2018**.

DEADLINES SCHEDULE:

2018, March 20: Deadline Abstract submission

2018, May 20: Full paper deadline

2018, May 20: Early Bird registration deadline

2018, June 15: Standard registration deadline
